Challenge 2017

Trees

The theme of this year's challenge will be trees. Your challenge may portray any kind of tree(s): palm tree, pine tree, Christmas tree, pieced tree, applique... Anything goes, as long as it has a tree on it.

Specific Requirement:

- must have a tree on it somewhere. (just leaves will not be enough, unless they invoke the idea of a tree)
- Size: Minimum 18"/side
 Maximum 45"/side
- Must be quilted, must be bound, must be made in 2017, must be your work only.
- Your challenge is to be kept anonymous, and the reveal will be at the November 9, 2017 meeting.

And I think that's it.

For any questions, please call Suzanne Kistler (559) 936-2204 or email her at faithquilter@comcast.net. Challenge rules are also available on the VOQG website, valleyoakqg.org in the "What's Up" section.
