Directions:

Make a quilt that depicts some person, some place, some thing, or some activity that you really, really like. That includes anything from skiing, a pet, your sewing room, a flower, a cup of coffee, a particular quilt block, a vehicle, a friend, an emotion, etc., etc. The topic is wide open.

Your quilt must:

- have a perimeter from 60 to 180 inches; no side longer than 45 inches.
- be pieced and quilted by you, with finished edges.
- no kits.
- have been completed in 2018.
- be kept anonymous

In November:

Place your quilt in a bag and hand in with your completed quilt a brief (30 words or less) narrative explaining why you like this person/place/thing/activity, on a piece of paper to be pinned beside your displayed quilt.
